CAUSE NO. 16-0002

**GREENWOOD PUBLIC SCHOOL DISTRICT
AND DEIRDRE MAYES, RANDY CLARK AND
SAMANTHA MILTON, In their Individual and
Official Capacities**

DEFENDANT

ORDER AND OPINION OF THE COURT

THIS MATTER is before the Court on the Complaint for Discovery and For Preliminary Injunction: Request for Discovery filed by the Plaintiff, Montrell Greene, on January 13, 2016. The Defendants, Greenwood Public School District, Dierdre Mayes, Randy Clark and Samantha Milton, filed a Motion To Dismiss and Motion To Quash on February 4, 2016. The parties made oral arguments to the Court on March 7, 2016. Having heard oral arguments and examined the briefs, and all premises considered, the Court finds that the Plaintiff's Complaint for Discovery and For Preliminary Injunction: Request for Discovery is well taken and the relief requested shall be GRANTED.

Statement of Facts

On April 10, 2013, Dr. Montrell Greene was employed as Superintendent of Greenwood Public School District (hereinafter Greenwood PSD). Dr. Montrell Greene (hereinafter Dr. Greene) was awarded a three (3) year contract for the school terms of 2013-2014, 2014-2015, and 2015-2016 with annual renewals. On October 17, 2014, Dr. Greene's contract of

employment was extended to June 30, 2017. On January 20, 2015, Dr. Greene's contract of employment was extended to June 30, 2018.

Defendant Samantha Milton (hereinafter Milton) was appointed to the Board of Trustees for Greenwood PSD in February 2015, by Carolyn McAdams, Mayor of the City of Greenwood, Mississippi. Mayor McAdams appointed Defendant Deirdre Mays (hereinafter Mays) to the Board of Trustees for Greenwood PSD in October, 2015. Mayor McAdams appointed Defendant Randy Clark (hereinafter Clark) to the Board of Trustees for Greenwood PSD in December, 2015. On January 4, 2016, the Board of Trustees for Greenwood PSD held a special called meeting wherein they voted 3-1 to terminate Dr. Greene. On January 5, 2016, Dr. Green received a letter from Attorney Carlos Palmer, Counsel for Greenwood PSD, stating that he was being terminated "*for cause.*"

On January 4, 2016, Dr. Greene had a contract with Greenwood PSD for another (30) months with an annual salary of \$148,000.00. On January 11, 2016, Dr. Greene, by and through his counsel, Attorney Willie Griffin, requested that the Board of Trustees for Greenwood PSD provide the specific reasons for his termination and the factual basis that supported their decision. On January 11, 2016, Attorney Carlos Palmer informed Attorney Willie Griffin that Dr. Greene's request was being denied by the Greenwood PSD.

Legal Analysis

Minutes shall be kept of all meetings of the school board showing (a) the member present and absent; (b) the date, time, and place of the meeting; (c) an accurate recording of any final actions taken at such meeting; (d) the date, time, and place of the meeting; (e) any other information that the school board requests to be reflected in the minutes. *Miss. Code Ann. §37-6-9*

Any licensed employee in any school district may be dismissed or suspended for incompetence, neglect of duty, immoral conduct, intemperance, brutal treatment of a pupil or other good cause. *Miss. Code Ann. § 37-9-59*. In the case at bar, Dr. Greene was issued a letter by Attorney Palmer on behalf of the Greenwood PSD stating that the reason for his termination was “*for cause*.” This ambiguous reason for Dr. Greene’s termination makes it impossible for this Court to interpret if the reason given is in fact based on a sound legal standard. A dismissed or suspended licensed employee must be notified of the charges against him and is entitled to a public hearing. *Miss. Code Ann. § 37-9-59 and Miss Code Ann. § 37-9-111 (1)*.

The Mississippi Legislature recently made a change to the law wherein a school superintendent whose employment has been terminated no longer has the right to request a hearing before the school board or a hearing officer. *Miss. Code Ann. § 37-9-59 and Miss. Code Ann. § 37-9-111 (9)*. Mississippi legislature has made it abundantly clear that superintendents are no longer afforded the protection of *Miss. Code Ann. § 37-9-59 and Miss. Code Ann. § 37-9-111*. However, it is not clear if the Mississippi legislature still intend for *Miss. Code Ann. § 37-9-113* to apply to superintendents. An employee aggrieved by a final decision of the school board is entitled to judicial review. Any employee may appeal to the chancery court of the judicial district in which the school district is located. The scope of review of the Chancery Court in such cases must be limited to a review of the record made before the school board or hearing officer to determine if the action of the school board is unlawful for the reason that it was: (a) Not supported by any substantial evidence; (b) Arbitrary or capricious; or (c) In violation of some statutory or constitutional right of the employee. *§ Miss. Code Ann. 37-9-113 (1) (2) (3)*.

The Legislature has created an unreasonable void between *Miss. Code Ann. § 37-9-59*, *Miss. Code Ann. § 37-9-111 (9)* and *Miss. Code Ann. § 37-9-113*. Thus, this Court must look to other equitable solutions to ensure that the rights of the common citizens are protected while not diminishing the rules of law which have been set forth by the legislative branch.

A Bill of discovery must be for matters which lie only in the knowledge of the Defendant, and must call for something which is not in the complainant's power to set out in his bill. *Buckner v. Ferguson*, 44, 46 Miss. 677 (1870). In the instant case, the Greenwood PSD's specific reasons for Dr. Greene's termination lie only in their knowledge. Bills of discovery are cognizable in equity courts. Const. 1890 § 160. *Callender v. Lamar Life Ins. Co.* (Miss. 1938). The power and authority of the Chancery Court to grant the substantive relief of "discovery" remains viable and available although it has been broadened and simplified by M.R.C.P. 26-37. *State Oil & Gas Board v. John McGowan* 542, 545 So.2d 244 (1989). If the equity of the case depends solely upon the equity of discovery, the complaint must show that the plaintiff has been diligent and has made reasonable effort to obtain information. *Moore v. Bell Chevrolet-Pontiac-Buick-GMC, LLC*, 864, 870 So. 2d 939 (2004). The Court finds that Attorney Griffin's letter of January 11, 2016 to Attorney Carlos Palmer requesting the specific reasons for Dr. Greene's termination and the factual basis that supported that decision was a reasonable effort to obtain such information. Additionally, the Court would note that Dr. Greene could well be subjected to a frivolous lawsuit claim if he goes forth simply guessing at the basis for his termination.

A public employee under contract at the time of his dismissal has an expectancy in continued employment until his contract is due to expire. *Harris v. Canton Separate Public*

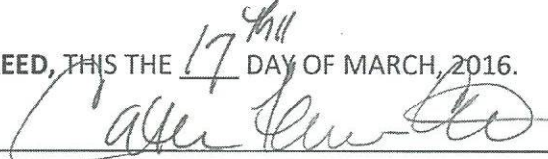

School Bd. of Educ., 655, 659 So.2d 898 (1995) This interest is also protected under the Due Process Clause of the Fourteenth Amendment to the U.S. Constitution, and Section 14 of Miss. Const. Art III (1890). In the case at bar, Dr. Greene had an employment contract which did not end until June 30, 2018. Dr. Green had an expectancy in continued employment until the end of the 2017-18 school year.

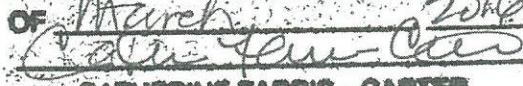

Conclusion

Based on these foregoing reasons, this Court finds that the Plaintiff's Complaint for Discovery and For Preliminary Injunction: Request for Discovery is hereby **GRANTED**. The Court would further find that the Defendant's Motion To Dismiss and Motion to Quash is not well founded and is hereby **DENIED**.

THEREFORE ORDERED ADJUDGED AND DECREED AS FOLLOWS: That the Defendants, Greenwood Public School District, Deirdre Mays, Randy Clark and Samantha Milton shall have 5 days from the execution of this Order to provide the Plaintiff, Dr. Montrell Greene, with the requested information. The information shall be provided in camera to the Court and the Plaintiff.

SO ORDERED, ADJUDGED AND DECREED, THIS THE 17th DAY OF MARCH, 2016.

The above average school performance compensation will be paid on a quarterly basis from local funds, not from federal, MAEP or State funds [37-7-301 (mm)], starting at the end of the first quarter after the official results are publicly published by the State of Mississippi. The superintendent must be employed by the Greenwood Public School District at each quarterly pay period to receive the performance increase unless otherwise approved by the Greenwood Public School Board.
7. That the superintendent will be granted 10 days of paid vacation time in addition to Greenwood Public School Board approved holidays for the school calendar year and that said days may be also be used as sick days or personal days by the superintendent for speaking and/or consulting engagements.
